

## SUMMARY AGENDA

Updated 04.26.2022

**Turning the Tide Sessions** - Live interviews and presentations on new thinking and insights from development practitioners and donors. Online chat for interactive engagement by participants.

**MSD Debate** - Hot topics debated by multiple participants from different perspectives with live-time voting at the end of the session.

**MSD Tools Showcase** - Spotlight of the most popular MSD tools from the past year, based on input from learning and media partners.

**Deep Dive Cafés** - Live, small group discussions, precured by several short thought-pieces, to exchange ideas, experiences, and learning in a relaxed and conversational setting.

**MSD 'Voices of Inspiration' Talk Show** - Live interviews sharing inspirational voices from our industry as they touch on pivotal and emerging topics.

**Connection Cafés** - Live facilitated networking via small group conversations to deepen relationships with industry colleagues across the globe.

**Technical Intensive - Thematic Sessions** - Live technical breakout presentations with participative input.

**Tool Intensive: Clinic Sessions** - Live intensive sessions to engage around specific practical tools or frameworks.
